**FREE TRIAL APP**

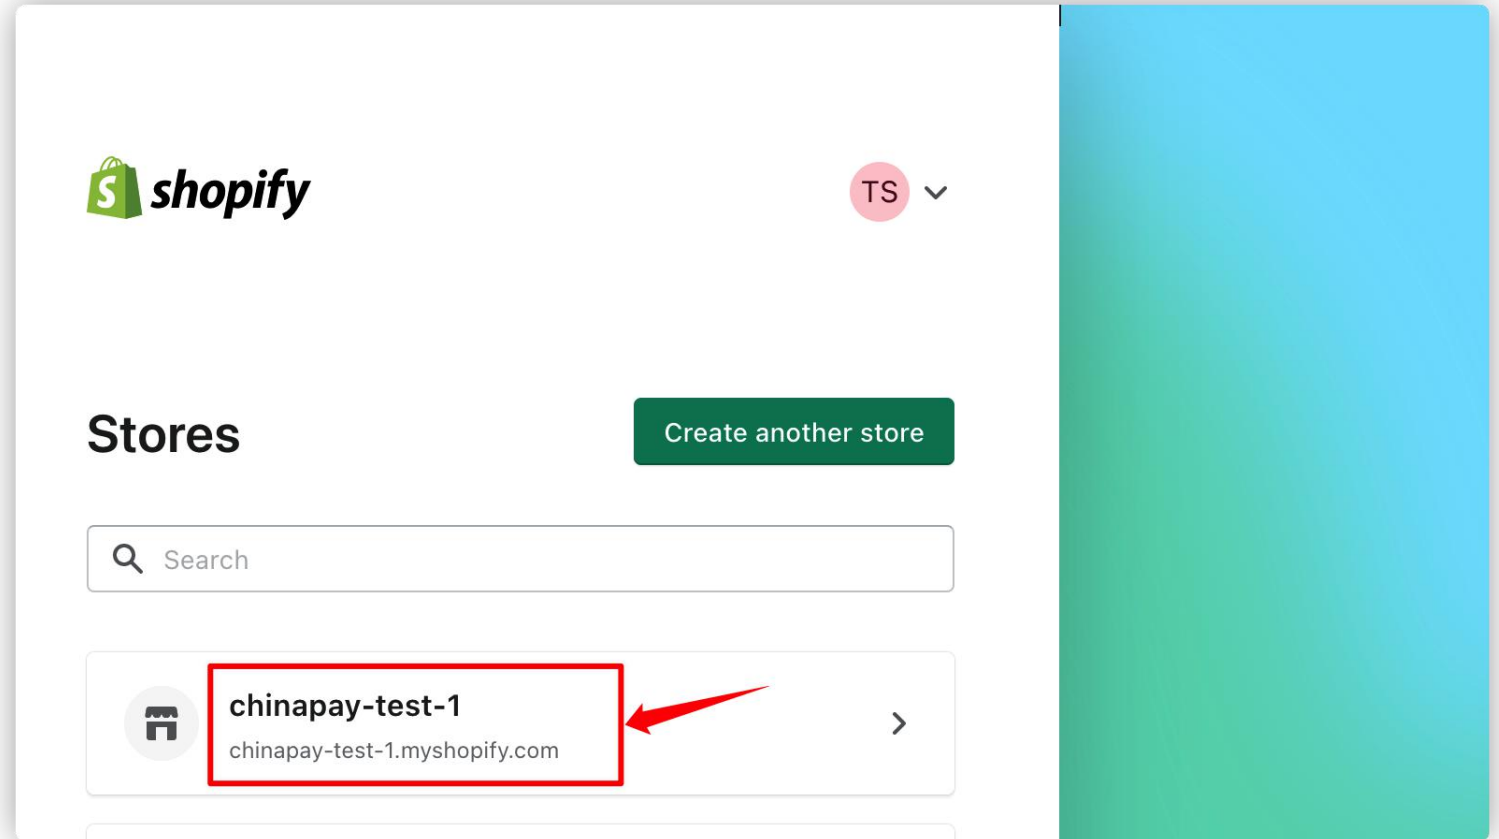

## Step 2

Login Shopify and Select your store.

For example: chinapay-test-1

Click on the **Your store**

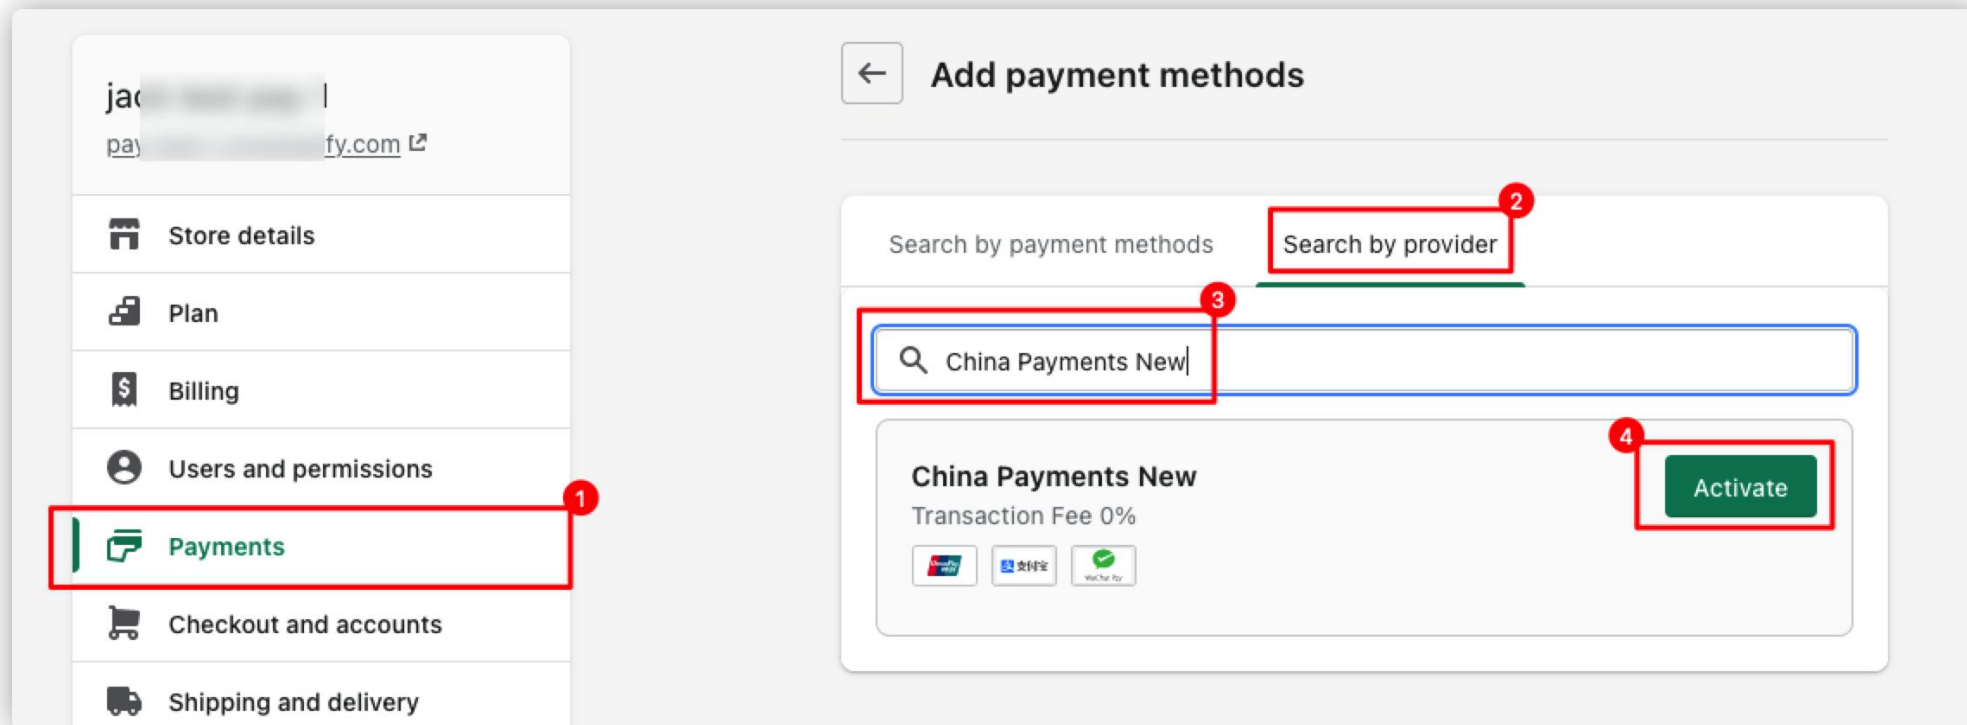

## Step 3

Or go to Shopify Store Background

Settings -> Payments -> Add payment methods -> Search by provider

-> input **China Payments New** -> Click on the **Activate**

## Step 4

Click on the **Connect**

The screenshot shows the Shopify Settings interface. On the left is a sidebar menu with various settings categories. The 'Payments' category is selected and highlighted with a green bar. The main content area is titled 'China Payments New' and contains two sections: 'About China Payments New' and 'Account status'. The 'About' section provides information about the app's purpose and supported payment methods. The 'Account status' section indicates that the user is not currently connected and provides a 'Connect' button to install the app. The 'Connect' button is highlighted with a red rectangle.

### China Payments New

#### About China Payments New

This App is designed just for solving the payment problem. After the installation, your shop will support China's most popular payment method - Alipay, WeChatPay, China UnionPay.

- We mainly provide solutions for the use of Shopify in mainland China and we have solved many problems in recent years for many customers who use Shopify and want to do business in China.
- Almost all of them complain that clients.
- The most popular payment method in China is Alipay and Wechat wallet, and most people do not have the habit of using the credit cards.
- We are glad to have accumulated the most effective solution to solve these problems in the past few years. We will look forward to communicating with you if you want to develop the market in China.

## Step 24

Visit the Dashboard, Go to **Complete to Shopify**

The screenshot shows the China Payments dashboard interface. At the top, there is a navigation bar with the 'China Payments' logo, a menu icon, and links to 'Alipay', 'WeChatPay', 'UnionPay', and 'Guide'. On the left, a dark sidebar contains the 'GENERAL' section with links to 'Dashboard', 'Price Details', and 'Contact Us'. The main content area is titled 'Dashboard' and includes a welcome message: 'Welcome to use China Payments.' Below this, there are three columns of instructions: 1. 'Please select a payment method and click "Payment Logo" to Set up your payment info.' 2. 'Please click the "Price Details" to view price, Then click the "PayPal Subscribe".' 3. 'Please click the "Complete to Shopify" button to redirect back to the Shopify Payments page, Then click the "Activate China Payments" button in the bottom right corner.' The first column lists four payment methods: Alipay, WeChat Pay (微信支付), Alipay (支付宝), and China Unionpay (中国银联). The second column has a blue 'Price Details' button. The third column has a green 'Complete to Shopify' button, which is highlighted with a red box and a red circle with the number 1.
